25X1A	1.	Comment. Hq units of the Third Shock army from the Encke and Flak Kaserne and units of the 19th Gds Fecz Div from the Herrenbrug Kaserne
25X1A		probably participated in the fall maneuvers of the army in the area south of Stendal. on either side of the Elbe River, in late September. See 25X1A . The movements on Herrenkrugbruecke on 26 September proteins were connected with these exercises.
25X1A <b>25X1</b>	2.	Comment. Possibly a shipment of the Eighth Gds Army, although the tank may belong to the 19th Gds Necz Div. However, a shipment of this division in the direction mentioned appears rather improbable.
25X1	3.	Comment. The shipment seen on 15 September probably was the train with shipment from Altengrabow to Rathenow with units of the 25th RL Brig and, on 16 September, possibly went from Mechterstaedt to Altengrabow.
25X1A	40	Rifle Corps which, according to reports on transportation, on about 11 trains went from Schwerin and Magenov to Centhin to participate in the known exercises in the crea south of Stendal, on either side of the Elbe River.
